SUITS

All suits come nested, unless otherwise mentioned. Please carefully follow sizing instructions

Sizing Instructions

- Suits are sold as full sets, jackets and pants. All suit jackets are fully lined, pants are lined to the knees.
- Size 36 to 46 jackets, pant waist measurement drops 6". Example – Size 40 jacket has 34" waist pant. Size 48 to 50 jackets, pant waist measurement drops 5". Example Size 50 jacket has a 45" waist pant. Size 52-54 jackets, pant waist measurement drops 4". Example Size 54 jacket has a 48" waist pant. See listing below: CHEST/WAIST
 - 36/30, 38/32, 40/34, 42/36, 44/38, 46/40, 48/43, 50/45, 52/48, 54/50, 56/52, 58/54
 - Pants have .5-.75" of ease at the waist and can be let out 1.5" for a better fit
 - Slim Fit suits fit tighter than Modern Fit. Men often go up a size to get more room for dancing
- Suits are offered in Short, Regular or Long. Men 6'2" or taller should order a Long. Men 5'7" and shorter should order a Short. Men 5'7" to 6'2" should order a Regular
- Standard measurements needed for Dornink Show Choir suits are chest, waist, and height.
- Suits should always be ordered to fit the biggest body measurement. Some alterations are to be expected. Dornink sizes may be different than standard retail sized. Please contact Dornink with any specific questions.
- Orders are placed into production only when completed sizing information, order confirmation and deposit are received
